

## Infor Training Offerings – 2007

Course	Duration	Cost	Description	Schedule
Datastream 7i Overview	5 days	\$3295	A survey course of the most commonly-used features of Datastream 7i, including the Equipment, Work, Preventive Maintenance, Materials, Purchasing, Calibration, Project, and Commercial Services modules. Primary functionality of each Datastream 7i base module is demonstrated. The course is designed to provide attendees a high-level understanding of how the product functions and interacts with different modules.	Jun 4-8, Jul 9-13, Aug 6-10, Sep 10-14, Oct 1-5, Nov 5-9, Dec 3-7: Greenville, SC
Datastream 7i Advanced Reporting	5 days	\$3495	This advanced course describes how to use Datastream 7i reporting capabilities to their highest level. Participants learn how to create and modify reports using Cognos-based Datastream 7i Advanced Reporting.	Jul 30 – Aug 3, Oct 29 – Nov 2 : Greenville, SC
Datastream 7i Configuration & System Planning	5 days	\$3495	This course provides system administration personnel the information needed to administer security, modify global functions, and perform basic system administration functions. It focuses on the administration of Datastream 7i itself, rather than any underlying platform or technical server aspects. It also covers basic business process logic and system planning to better prepare system administrators in how to configure the major Datastream 7i modules.	May 14-18, Jun 11-15, Jul 16-20, Aug 13-17, Sep 17-21, Oct 8-12, Nov 12-16, Dec 10-14 : Greenville, SC
MP2 Essentials	5 days	\$2995	This course provides detailed instruction of the maintenance, inventory, and purchasing features of MP2. Equipment, Labor, Work Order, Work Requests, Preventive Maintenance, Scheduling, SPM, Inventory and Purchasing modules are covered in detail. Module functionality demonstrations and hands-on exercises give attendees a foundation of how to use MP2 to manage general maintenance functions.	May 14-18, Jun 18-22, Jul 23-27, Aug 20-24 Sep 24-28, Oct 22-26, Dec 10-14: Greenville, SC May 21-25; Lansing, MI Jun 4 – 8; Cincinnati, OH Jun 25-29; Plano, TX July 16-20; Aurora, CO July 23-27; Toronto, Canada Aug 6-10; Towson, MD Aug 13-17; Portland, OR Sep 9-13; Bakersfield, CA Sep 17-21; Houston, TX Oct 1-5; Pittsburgh, PA Oct 8-12; Nashville, TN Nov 5-9; Madison, WI Nov 12-16; Pembroke Pines, FL Dec 3-7; Plano, TX

## Infor Training Offerings – 2007

Course	Duration	Cost	Description	Schedule
